WARRANTY

ITT ENIDINE, INC. Cockpit Door Damper Subassembly

ITT ENIDINE, INC. ("Enidine") warrants the Cockpit Door Damper Subassembly to be free from defects in material and workmanship. The warranty period is for twelve (12) months from the date of manufacture.

This warranty applies only to the Cockpit Door Damper Subassembly failing to function properly because of defects in material or workmanship under normally recommended operating conditions within specified performance limitations. Abused, damaged, disassembled or otherwise altered Cockpit Door Damper Subassemblies are excluded from said warranty. ENIDINE at its sole discretion will determine the validity of any and all warranty claims submitted hereunder.

Malfunctioning units within the twelve (12) month warranty period returned to Enidine's factory prepaid and with a written warranty claim, accepted by ENIDINE, will be replaced at Enidine's discretion without charge and returned as a collect payment.

The above warranty comprises Enidine's sole and entire warranty obligations and liability to Buyer, its customers and assigns in connection with the Cockpit Door Damper Subassembly sold hereunder. All other warranties express or implied, including but limited to warranties or merchantability and fitness, are expressly excluded.
